

封面

The image shows a detailed user manual for the 360 M320 dashcam, organized into ten panels. Panel 1 (top left) displays the product name '360记录仪' and model 'M320'. Panel 2 (top right) shows the camera unit with labels for its components: '显示屏' (display screen), '返回键' (back key), '上一个' (previous key), '关机/熄屏键' (power/off key), '下一个' (next key), and '确认键' (confirm key). Panel 3 (bottom left) provides assembly instructions, including a QR code for the app download. Panel 4 (bottom right) shows the rearview camera unit with labels for '泡棉双面胶' (double-sided foam tape), '后路摄像头' (rear路 camera), and '螺丝钉' (screws). Panels 5 through 10 (center and right side) cover various features: 5) '行车录像' (driving video recording), 6) '紧急视频记录' (emergency video recording), 7) '视频回放' (video playback), 8) '设置菜单' (settings menu), 9) '后路摄像头安装位置示意' (rearview camera installation position diagram), and 10) '扬声器音量' (speaker volume), '视频录音' (video recording), '疲劳提醒' (fatigue reminder), '画中画' (picture-in-picture), '紧急录像灵敏度' (emergency recording sensitivity), '停车监控' (parking monitoring), '屏幕自动关闭' (screen auto-off), '缩时摄影' (time-lapse photography), '时间隐藏' (time concealment), and '默认显示界面' (default display interface).
